Richard Cardillo, Fire Chief
175 Lexington St
Waltham, MA 02452

Dear Chief Cardillo,

Within the past two weeks Fire Fighters from your department responded to a grease fire in a restaurant adjoining my office. They arrived on the scene so quickly that the fire was contained in the duct and the smoke which was excessive was dissipated quickly. There was no damage to my office as a result of this incident due to the quick and efficient response of your Fire Fighters.

I want to thank you and the men involved in this event.

Sincerely,

A handwritten signature in black ink, appearing to read "Walter F. Welch". The signature is written in a cursive, somewhat stylized font.

Walter F. Welch, O.D.
